

HONOURING MANDELA DAY

In commemoration of the great South African Statesman President Nelson Mandela, The KwaZulu-Natal MEC for Agriculture and Rural Development, Mrs. Bongwiwe Sithole-Moloi, honoured her 67 minutes by visiting Qedusizi Primary School in Nquthu, Ward 8, to plant vegetables.

“Walking in the footsteps of our heroes and heroines is extremely important. Nelson Mandela fought for social justice for 67 years, so let's honor the 67 minutes of Mandela Day by working together to eradicate poverty and advance world peace and cultural diversity”, said MEC Sithole-Moloi.
