REQUEST FOR PROPOSALS (RFP)

APPOINTMENT OF FORENSIC INVESTIGATORS TO CONDUCT AN INVESTIGATION FOR COLLUSION AND INCOMPLETE WORK DONE

1. INTRODUCTION

- 1.1. The Department of Agriculture and Rural Development (Department) requests proposals from suitable service providers/consultants to assist the Department in conducting an investigation in respect of a company identified as having received payments for incomplete work in relation to the construction of woolsheds.
- 1.2. The irregularity was identified by the department and disclosed on the 2021/22 annual financial statements as fruitless and wasteful expenditure. The Department of Agriculture and Rural Development (KZN) hereby seeks to engage the skills of an expert to investigate these allegations and to provide a detailed report together with all supporting evidence forming the basis of its findings.

2. BACKGROUND

- 2.1. The Department has, through its auditing process, identified fruitless and wasteful expenditure resulting from possible collusion and fraud in the 2016/2017 financial year, where a company was paid for incomplete work in relation to the construction of woolsheds. The payments exceeded the certified amounts and these payments were thus irregular, if not illegal.
- 2.2. The inspection of the related payment vouchers revealed that all invoices were invalidly certified correct and supported by work performed by the supplier by the relevant Acting Director at the time. The Auditor General raised concerns that this was only tabled to the irregular expenditure committee dealing with irregular, fruitless and wasteful expenditure on the 13 May 2022, despite it being reported by the engineer on the 13 July 2018.
- 2.3. The engineer had reported that there were payments authorised and made to the company, that exceeded the certified amounts and these payments were thus irregular, if not illegal. The AG has accordingly requested that the department investigate inter alia, the circumstances that lead to the irregularity, the steps that have been taken to address the irregularity and the steps that have been taken to identify the persons responsible for the material irregularity.

- 2.4. Consequent to the investigation the service provider is to compile a detailed and comprehensive report that inter alia identifies the officials and/or other person/s responsible for such irregularities, provide recommendations on the remedial action to be taken as well as advise on the internal control processes to be strengthened. Advices on any other matter of relevance that has resulted in the irregularities identified, should also be included.

3. SPECIFIC OBJECTIVES

- 3.1. To establish if there were any losses incurred by the department and to quantify the said losses.
- 3.2. If there were any losses suffered, identify the officials/persons responsible for such losses.
- 3.3. To conduct an investigation into the circumstances relating to the losses (i.e. fruitless and wasteful expenditure),
- 3.4. To identify whether there was collusion between the department officials and the company that was overpaid,
- 3.5. To identify any other irregularities that may have occurred in relation to the matter which is the subject of the investigation;
- 3.6. To provide the Department with a detailed and comprehensive report containing the findings of the investigation as well as making recommendations which shall include but not be limited to any disciplinary, civil and criminal action that should be taken pursuant to the findings.

4. SCOPE OF SERVICES

- 4.1. The service provider/consultant shall obtain all relevant documents, statements/affidavits and other information necessary for this investigation.
