## **FMD VACCINATION DRIVE IN KWANYUSWA ... STOP THE SPREAD OF FOOT AND MOUTH DISEASE!**

The Minister of Agriculture, Land Reform and Rural Development, Ms. Thoko Didiza, recently announced the 21-day total ban on the movement of cattle in the country.

Following this announcement KZN MEC for Agriculture and Rural Development, Bongive Sithole-Moloi, led a successful vaccination drive in KwaNyuswa, Ward 2 to mitigate the spread of Foot and Mouth Disease (FMD) in the Province. MEC Bongive Sithole-Moloi further joined a roadblock to create awareness about FMD and to ensure that the total ban on cattle movement throughout the province is enforced.

It is my responsibility

It is your responsibility

It is our responsibility to stop the spread of FMD in the Province
