### MEC THEMBENI KAMADLOPHA-MTHETHWA CELEBRATES WOMEN'S MONTH

The Human Sciences Research Council report revealed that most of the KwaZulu-Natal northern parts have relatively high levels of access to land, yet they have low participation in household farming activities.

KwaZulu-Natal Agriculture and Rural Development MEC Thembeni kaMadlopha-Mthethwa heeded to some of the recommendations to enhance food security by availing the Department's funding of the cooperatives and individual farmers.

As part of the Women's Month Commemoration, Honourable MEC kaMadlopha-Mthethwa engaged with women in kwaHlabisa on Friday, 22 August 2024.
