HANDOVER OF YELLOW PLANT MACHINERY

Yellow plant machinery in the form of TLBs, excavators, tipper and water trucks worth R31 million were handed over to communities of Jozini in an event held at eZibukweni Stadium on Saturday, 30 November 2024. This handover was officiated by Jozini Local Municipality Mayor, His Worship, Cllr Mfananaye Mathe together with the KZN Agriculture and Rural Development MEC Thembeni kaMadlopha-Mthethwa who is also the District Champion of Umkhanyakude District. The machinery will help fast-track service delivery of water, improving access roads, construction of dams and bridges.
