KZN DARD LAUNCHES SHEEP SHEARING SHEDS AND BONTRAND PIGGERY PROJECT IN UMZIMKHULU

The KZN Agriculture and Rural Development MEC Themba Mthembu officially launched four sheep shearing sheds to the total investment of R4,8 million and the Bontrand Piggery Project to the value of R1,345 million in uMzimkhulu, KZN on 20 July 2016. The establishment of these sheep shearing sheds has opened up over 100 employment opportunities for the people of the area.

Building the shearing sheds and developing the piggery serves as part of the Department's commitment to develop the farming infrastructure in uMzimkhulu.

Visit the Newsroom to read more in MEC Mthembu's speech in both English and isiZulu.
