MEETING WITH LIVESTOCK FARMERS IN JOZINI

KZN Agriculture and Rural Development MEC Themba Mthembu visited the Bhambanana Abattoir in Jozini to meet with livestock farmer associations and the Department's livestock infrastructure development initiative.

The abattoir will be a channel for marketing livestock and the overall aim is to encourage farmers to improve their livestock management.

Visit the Newsroom to read more in MEC Mthembu's speech in both isiZulu and English.
