**KWAZULU-NATAL PREMIER NOMUSA DUBE-NCUBE TO LAUNCH A  
MULTI-MILLION RAND PROGRAMME IN UGU DISTRICT**

Post Covid-19, the KwaZulu-Natal government is now responding to the triple challenges of our people on the ground which is inequality, poverty and unemployment.

The provincial government has taken another gear to sort out the slightly declining agricultural sector as a result of the recent floods, unrests and the Covid-19 epidemic. Now, the KwaZulu-Natal Department of Agriculture and Rural Development is turning a new tide by introducing the multi-million Rand projects aimed at fighting poverty and ensuring that the province has enough food to feed the nation.

Accordingly, KwaZulu-Natal Premier Nomusa Dube-Ncube and Members of the Executive Council will officially launch the multi-million Rand Provincial 2022/2023 Multi-Planting Season at Mlamulankunzi Sports field, KwaMbuthuma Ward 08, under Umuziwabantu Local Municipality in Ugu District.

Members of the media are invited to attend and cover the event.
