

OWEN SITHOLE COLLEGE OF AGRICULTURE GRADUATION CEREMONY

MEDIA ADVISORY

DATED: 23 MARCH 2026.

Students from Owen Sithole College of Agriculture (OSCA), situated within the uMfolozi Local Municipality, are set to graduate with Bachelor's degrees and diplomas, marking years of learning in effective livestock, soil and crop management, coupled with knowledge to address climate-related challenges impacting the agricultural sector.

MEC for the Department of Agriculture and Rural Development, Mrs. Thembeni kaMadlopha-Mthethwa, will confer qualifications to the students. Since its establishment in 1968, OSCA has continued to equip students with practical skills and experimental learning outcomes.

Members of the media are cordially to report and cover the programme scheduled as follows:
