COMMISSION ON RESTITUTION OF
LAND RIGHTS

LAND CLAIMANTS OF GLENCOE TO BE COMPENSATED

MEC Cyril Xaba together with the Commission on Restitution of Land Rights, are cordially inviting all members of the media to witness a historical event where the community of Glencoe will finally be compensated for being forcibly removed from their land in Glencoe under section 20 of the Group Areas Act, 1957 Act No. 77 of 1957.

Between 1965 and 1967, about 500 tenants and 300 landowners from Glencoe were forcibly removed to neighbouring townships, where they no longer could enjoy the comforts they were used to in their original place of residence. A land claim was since launched by the affected communities of Glencoe and has since been approved and successful.

During this occasion, MEC Xaba will officially handover a cheque exceeding over R50,3 million to 1300 beneficiaries of the community of Glencoe at Sthembile Town Hall in Glencoe.
