ACT FOR A JUST SOCIETY

MEC for Agriculture and Rural Development, Mr Cyril Xaba attended a Good Friday Church Service hosted by Diakonia Council of Churches in the early hours of Friday morning at the Durban ICC.

This service is held annually and each year, the service highlights a particular aspect of national injustice and suffering. The theme for this year was "**Arise and Act for a Just Society.**"

The service started in the early hours of the morning where the sermon was delivered by the Bishop of the Diocese of Natal, Rubin Philip, who is also the Dean of the Anglican Church of Southern.

After the service, the congregation proceeded through the streets of Durban in silence, walking from the ICC to the City Hall. The service was concluded at the City Hall with the flowering of the cross as an act of commitment for all present to act for a just society.
