MEDIA INVITATION

Function to mark the handover of Title Deeds to a successful land reform project

KZN MEC for Agriculture and Rural Development, Mr Cyril Xaba, who is the champion for Rural Development in the province, will be handing over the title deeds to a farm in the Ugu District to land claimants who have been successfully farming their land.

In 2013, the Minister of Rural Development and Land Reform, Mr Gugile Nkwinti, approved the settlement of the Insika Yamabombo Community Land Claim, benefitting 150 households.

The community opted to farm the 545 hectares that had been restored to them. The land is predominantly under sugar cane and the beneficiaries are being assisted by Illovo Sugar as a mentor in their farming project. The media are invited to cover the handover ceremony of the title deeds and hear more on this land reform success story.
