SIGNING OF A MEMORANDUM OF UNDERSTANDING (MOU)

On 07 June 2014, a consensus was reached between the Department of Trade and Industry (DTI) and Nestlé South Africa to encourage Eastern Cape emerging black farmers to plant chicory as a means of income generation and economic regeneration of rural communities. DTI had committed to sign an MoU with Nestle SA which is aimed at guaranteeing off-take of chicory for the emerging farmers. At this event, KZN DARD MEC Cyril Xaba will present an overview of Chicory projects in KwaZulu-Natal.
