KZN DARD AND MASISIZANE FUND (OLD MUTUAL) LAUNCH A SOYA BEAN PRODUCTION PARTNERSHIP IN UMZIMKHULU

The Department of Agriculture and Rural Development in KwaZulu-Natal together with the Masisizane Fund, a C.S.I project under Old Mutual, have crafted a Memorandum of Understanding on a 50:50 basis to embark on the development of soya bean planting in the area of Umzimkhulu, Harry Gwala District.

KZNDARD and the Masisizane Fund have projected a total investment of about R26 million for a total area of about 1500ha to be put under production in the area of Umzimkhulu.

The launch will subsequently be followed by school visits to handover farming implements and an official handover of tractors, vouchers for seeds and a cheque for running costs to Communal Estates in Umzimkhulu.

Members of the media are hereby invited to witness this mark in history, which will take place as follows:
