FOCUS PLACED ON DEVELOPING THE RURAL AREA OF EMAKHABELENI

Emakhabeleni is one of the deepest rural areas in the Umzinyathi District with a large number of unemployed youth and women. It has been revealed that service delivery and development in this area is at a low level.

As the Easter holidays commenced, MEC for KZN Agriculture and Rural Development Mr Cryil Xaba, together with the MEC for Arts, Culture, Sports and Recreation Mrs Ntombikayise Sibhidla-Saphetha and members of the local leadership visited the community of Emakhabeleni in Umzinyathi to fast-track development in that rural area.

For more information, please read MEC Xaba's speech.
