### **KZN DARD WELCOMES BACK STUDENTS FROM DENMARK**

The KZN Department of Agriculture and Rural Development through its entity ADA (Agribusiness Development Agency), forged a partnership with the Dalum Academy of Agricultural Business in Denmark to develop young farmers in the livestock sector specializing in piggery. For the past two years, ADA had been sending young farmers over to Denmark to gain more experience in the agricultural sector. MEC Themba Mthembu was thrilled to welcome back the second lot of students with a qualification from the Dalum Academy in Denmark.
