FUTURE FARMERS DAY 10TH ANNIVERSARY CELEBRATION

On Friday 15 April 2016, the MEC for KZN Agriculture and Rural Development Cyril Xaba, attended the 10th anniversary celebration of the Future Farmers an organisation focused on the development of farmers from youth level to commercial state. Future Farmers offers a unique programme aimed at cultivating the skills in aspiring farmers, aged 18 to 26, through real job experiences in a field of agriculture of their choice.
