MEC XABA HONOURS HIS PLEDGE AT ZIPHATHELE HIGH SCHOOL

KZN DARD MEC Cyril Xaba visited Ziphathele High School at Clermont, Durban where he shared words of wisdom with the scholars. Here, the MEC took a moment to motivate the scholars to be active in their academics for a brighter future.

This is the very High School which MEC Xaba attended and matriculated at amidst the turmoil of the apartheid era. Last year, the MEC visited Ziphathele High School and pledged to handover 22 uniforms to 22 needy scholars.

To honour this pledge, MEC Xaba handed over 22 uniforms to the scholars of Ziphathele High School on 03 February 2016 and urged them to concentrate on their studies as the future of the Province and the country is in their hands.
