### APPROVAL OF 2025/26 REVENUE TARIFFS

Provincial Treasury has carefully considered your request to approve the 2025/26 revenue tariffs as per your submission dated 6 December 2024.

The proposed tariff structure is hereby **approved** in terms of Treasury Regulation 7.3.1 and will be effective from 1 April 2025.

It is noted that the revenue tariff submission was made after the inputs for the 2025/26 budget process had already been received. Your department was engaged on this, and clarity was provided that these revisions were already included in the 2025/26 Estimates of Provincial Revenue and Expenditure third draft database.

The updated revenue tariffs should be included in all 2025/26 In-Year Monitoring (IYM) reports, in terms of both the actuals and the projections.
