

## STRATEGIC ALIGNMENT

The Department has endeavoured to align its strategic goals and objectives with the higher frameworks of government. To show its commitment to continental, national and provincial development agenda, the Department started with the African Union's Agenda 2063; the National Development Plan 2030; Medium Term Strategic Framework (MTSF) 2014-2019 Outcomes; Provincial Growth and Development Plan; DARD 2015-2020 Strategic Plan Goals and Objectives. All these frameworks are then aligned to the specific Budget Programme where the main activities to achieve the strategic goals are to be performed.
