### QUESTION AND ANSWERS

#### **PROVISION OF SECURITY SERVICES FPR THE PERIOD OF 3 YEARS AS PER FOLLOWING BID NUMBERS:**

**DARD 01/20A, DARD 02/20A, DARD 03/20A, DARD 03/20A, DARD04/20A AND DARD 05/20A**

#### **QUESTION FROM MR BS HLOPHE**

I write this letter to voice my complaint that the Department requirement is not allowing all the services providers to go to tender on the same footing. One of thing that I have picked up is the requirement base on National Key Point Certificate.

According to my understanding the Department is not a National Key point site. I need to know as why the required certificate form part of the keepers. I request the department to removed the above certificate as a gate keeper.

#### **ANSWER FROM THE DEPARTMENT**

**AMENDMENT TO ADVERTISED SECURITY BIDS: DARD 01/20A, DARD 02/20A, DARD 03/20A, DARD 03/20A, DARD04/20A AND DARD 05/20A**

Please note that Clause 1.4.6 – National Key Point Certificate, under Disqualifying Factors on Page 70 is no longer a requirement for all the aforementioned bids. Bidders that do not meet this requirement will not be disqualified.
